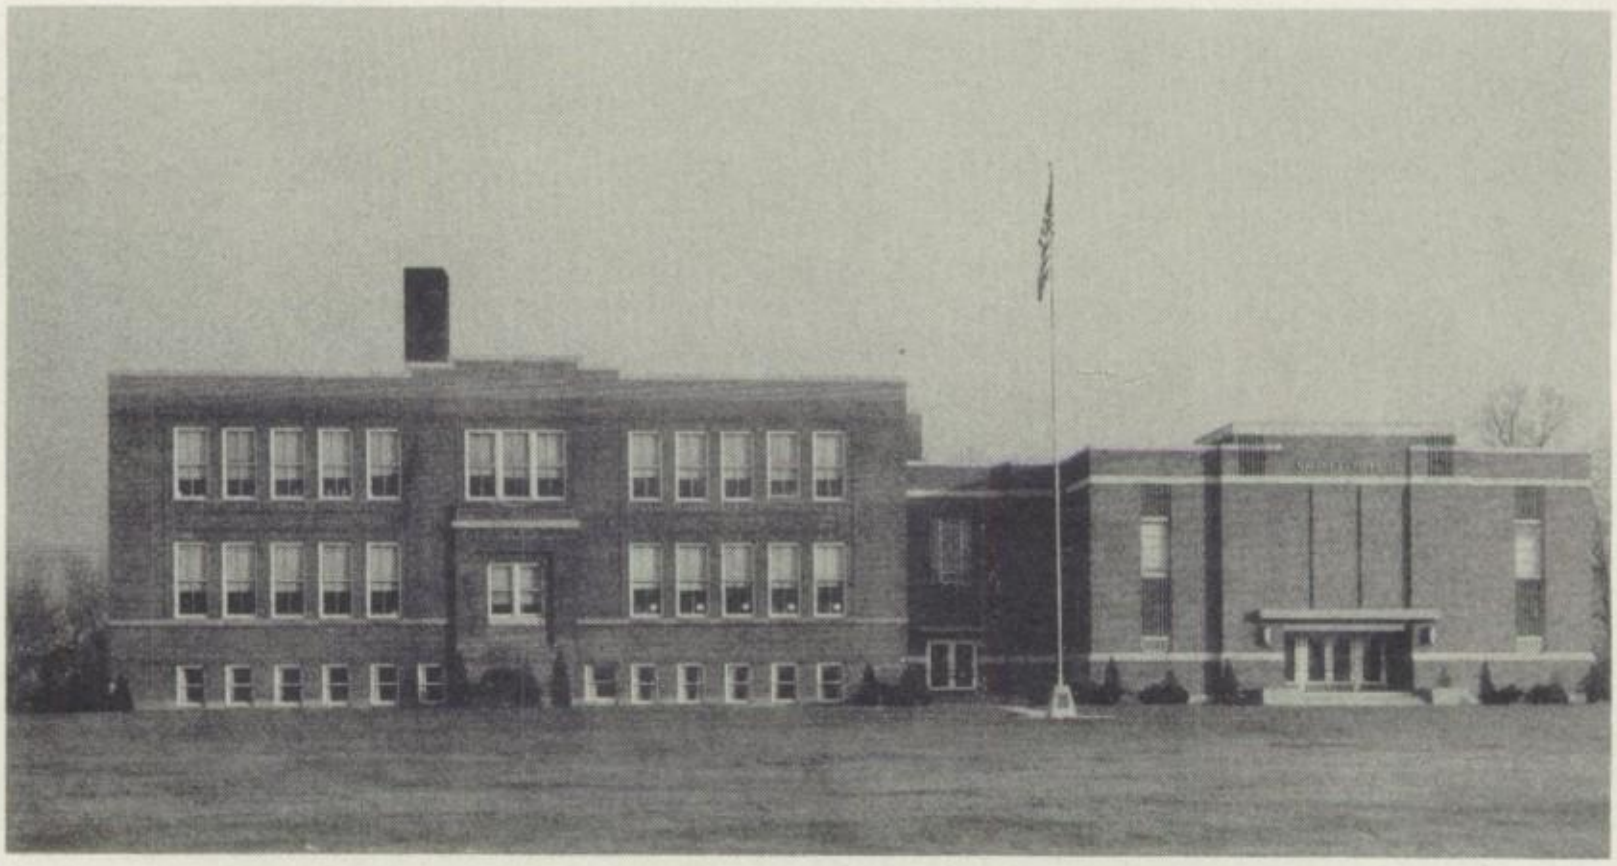
THE TRAIL
OF THE
FORTY-NINERS



Foreword

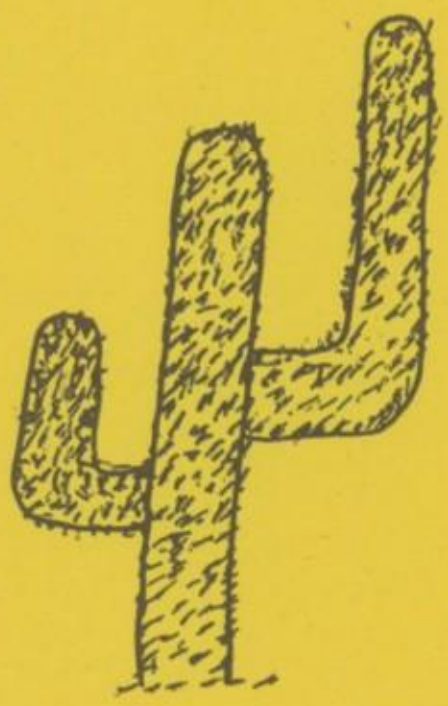
We, the Senior Class of the Old Fort High School take pleasure in presenting to you another edition of 'The Trail'. It will help us to recall pleasant memories of our high school days and we hope that you, too, will be able to do so.

To our parents, who have made our high school education possible; to the faculty, for their help and encouragement; to our advertisers and sponsors, who assisted in making this publication a success; we express our appreciation and thanks.

Dedication

To our advisor and home room teacher, we dedicate this 1949 yearbook. Mr. Swihart has dedicated 34 years of his life to the teaching of boys and girls. His advice and counsel has been invaluable to us. He is more than a teacher of Science and Mathematics; he is a sincere friend and counselor. In this small way, we express our gratitude for his friendship and help. It is our hope that he may have many more happy years in his chosen profession and that many students may benefit by his assistance in the years to come.

Administration



Board of Education

The members of the Board of Education represent the citizens of the school District and it is their responsibility to determine the educational policies for the district. The position that the Old Fort School holds is evidence of their good judgment in school affairs. Good teachers and a modern, well-equipped building have been their goals.

We are grateful to each member of the Board of Education for the effort put forth for our benefit. We trust that we can partially compensate them by becoming useful citizens and by doing our bit to improve the school and community.

Mrs. Smith is completing her second year as office secretary. Besides her duties as office receptionist, she is cashier in the cafeteria and assists the teachers whenever they need help.

The school cafeteria is in charge of three very able cooks, Mollie Stiger, Jean Wonder, and Mae Karg. These women have been cooking for the school a good many years and consequently know the favorite dishes of the students. Mollie has been working for the school fifteen years; Jean, eight years; and Mae three years.

Mr. and Mrs. Luther Flack have been the school's custodians for the last five years. They are on the job twelve months out of each year and are responsible for keeping the school building warm and clean. Their work has increased with the addition of the new building.

The buses this year were driven by Eula Flumerfelt, Elmer Curry, William Elmers, Ray Murphy, Max Hoover, Richard Wise, and J. Lehr Swihart. Mr. Elmers has served as bus mechanic and general maintenance man for the school the past twenty-seven years.

'T'

It was on the day after Labor Day, 1937, that we, the members of the class of 1949 took our first step on the 'trail'. The forty members of our class that year were taught the fundamentals by Miss Anna Miller. Part of the second grade was located in our home room the first year and they helped us to overcome that 'lost' feeling and become acquainted with the atmosphere of school. A scarlet fever epidemic caused a lot of absences but we managed to keep up on our work pretty well and soon began to feel very proud that we could read a little and add a few problems. We made up the traditional toy orchestra which was directed by Miss Miller and accompanied by Mrs. Newman and made several public appearances during the year.

Mrs. Zelma Zeis Mullins was our second grade teacher. This was the year that the new building was being built so we heard a lot of pounding and odd noises comparable to those of this year.

Although we advanced a year to the third grade, our home room was in the same room due to the fact that our class was too large for the room now occupied by the second grade. One of the highlights of this year was the day when our teacher, Mrs. Connie Ryman Michael took us on a tour through the new building. We returned to our room thinking of those long, hard years ahead until we would become a part of the new building. It really wasn't as long as we had expected.

We started something new when we entered the fourth grade. This was a harmonica band under the direction of our home room teacher, Miss Edith Zink. By the end of the year, we thought we were quite accomplished musicians and appeared on several programs in the community. A fourth grade tonette class has been conducted every year since.

Our movement to the top story of the school building for the fifth and sixth grades really made us feel 'grown-up'. At recess, we sometimes got a chance to peek into the study hall and see how the high school acted--(From our seventh grade actions, I don't believe this was such a good influence.) Having two teachers also made us feel big and gave us a little taste of high school life. Under the direction of Mrs. Delthia Doran Murphy and Miss Marion Robinson, our 'gray matter' was increased and we soon found ourselves hunting for the seventh grade home room.

Yes, we hunted, and most of our teachers spent the next year hunting for the cause of our actions. Of course, we wanted to act like the high school and show them that we could make spit-balls and throw erasers, too. The class became a little settled, however, on the last day of school when about seven members discovered that they would have to return to the seventh grade the next year. Our home room teacher this year was Miss Janet Steer. We did win the annual magazine drive, however, and were given a very nice party by the teachers. I can imagine how they must have felt, giving a party for that 'terrible seventh grade'.

Under the guidance of our home room teacher Miss Robinson, we continued to improve our reputation through the eighth grade and really made an outstanding record for the school in the annual State Scholarship Test. Members of our class placed first, second, fifth, and ninth in the county and forty-five percent of our class ranked in the upper twenty-five percent of Seneca County. Mr. Hiestand also thought this was a pretty good record and happily graduated us into high school on the last day of school. We were pretty well grown up now and showed this by climaxing the year with a picnic and weiner roast behind the school house.

We were duly sworn into high school on the night of Freshmen Initiation and began to participate in all of the high school activities. Several members of our class made honorable records in music, speech, and scholarship this first year. As our contribution to the annual Play Festival we presented 'Ten Percent Tommy'.

Our Sophomore year was also a busy one. We staged 'Who Murdered Who' in this year's Play Fest. It was this year that people began to notice us and realize that we had some future basketball stars, musicians and speech students in our class. Miss Betty Kemper was our class advisor the first two years in high school.

There were three big events during our Junior year. The first was the selection of our class rings. With the help of our advisors, Mrs. Helen Newman and Mr. Mervin Ransom, we picked what we of course thought were the prettiest rings any class had ever had. The next big event was the Junior Play. Mr. Hiestand directed our play 'If This Be Bliss' which turned out to be quite a success. It was a three-act comedy. Music between acts was furnished by the High School Orchestra under the direction of Miss Slotterbeck. The large sum of money which we made enabled us to put on a nice banquet for the seniors and teachers in the spring. The banquet was followed by dancing in the cafeteria which we had decorated in a twilight garden setting. We had a lot of fun working on this big event.

Now that we are Seniors, we have eighteen members in our class, nine boys and nine girls, all of whom are looking forward to graduation. We call ourselves the forty-niners and are wondering how much farther up the 'trail' we will have to travel until we find our gold. We realize that the teachers, with their patience and hard work, have helped us along so far. Now we must travel alone. How far we get will depend upon how well we apply what we have learned the past twelve years. Let's hope all of us soon discover 'gold'.

Class Will

Know all men by these presents that, we the Senior class of 1949 of the Old Fort High School, in the county of Seneca, and the state of Ohio, being of mature age and of sound and disposing mind, do hereby indite this, our last will and testament.

With utmost confidence in his legal ability we do hereby appoint Marion Kroetz sole executor of this estate, and trust that he will deal with this estate diligently and upon our death see that all of the small favors we have asked be taken care of.

ARTICLE I

We, the Senior Class, with the faculty utmost in our minds, bequeath to them many days and nights of peaceful rest with freedom from the many nightmares that we have caused them in our four years of high school.

ARTICLE II

To the Senior Class of 1950, the Senior Class of '49' wills all the Senior privileges and our untarnished reputation and hope they do not use them to excess.

ARTICLE III

To the dear Sophomores, the Seniors will all their collections of gum wrappers, waste paper, (love notes) and hope that they will know how to put them to the best of use in future years.

ARTICLE IV

To the Freshmen, the Seniors give their unsurpassed knowledge of the three R's and hope that we did not treat them too hard at Freshmen Initiation.

ARTICLE V

We, the Senior class of 1949, hereby make these individual requests and upon our death we hope that they will be carried out by our executor.

John Lavo wills his beauty and size thirteen basketball shoes along with his place on varsity to Marion Kroetz and hopes that he fills them well.

Beverly Hoffman who has such great cheerleading ability wills this to Lucille Depinet and Beverly hopes that she will take advantage of this next year.

Mary Jane Wilkinson who has such lovely blond hair thinks that she ought to will this to Virgil Kisabeth who could use some long hair when winter comes with his short butch.

Donald Weller wills his much used cigarette lighter along with an extra box of flints and a can of lighter fluid to Arthur Ohler on condition he uses it for many years to come.

Dema Peterson wills her great ability of being able to stare everybody down and looking cross eyed at the teachers to a great beginner Charles Humes. The Seniors hope that Chuck can defend this wonderful title.

Tom Darr not to be out done by John Lavo wills his sweet smelling sweat socks and locker to Tom Shaffer along with his guard position on the varsity basketball team.

Betty Laux who has such a pert little nose thinks that more people should enjoy it, so she has consented to give this to Herman Guttenberg. The Seniors think Herman would look awful nice with a short nose.

Robert Borough who so dearly loves to chew gum has consented to give this ability to Corrine Woessner on the condition that she doesn't get caught in one of Mrs. Newman's classes chewing it.

Anne Hiestand who loves music so dearly and plays her flute so beautifully has consented to will her flute to another great music lover Ray Berlekamp. Anne hopes that Ray will always treasure this gift dearly.

Bernard Schmitz wills his ability of being able to give a diamond to Mildred Heilman whose ability to receive a diamond seems better than any other Junior.

James Smith does not like Plymouths so he has decided to give his Super Delux Limousine to Tom Hade on the condition Tom doesn't run the wheels off of it. Tom should be very happy to receive such a wonderful gift.

Betty Donaldson who seems to have so much superhuman strength that door handles just naturally break off when she takes hold of them, wills this strength to Alvin Kiesel and may it make him a stronger man in the future.

Kenneth Hill wills his great headache of drawing up the ads for the annual and his large store of sleeping pills to another great artist Ralph Joseph. Kenneth hopes that Ralph doesn't take too many sleeping pills and get sick.

Helen Shade who always seems well supplied with boy friends, will give one to any girl in the Junior Class who promises to take the best of care of him in future years.

Bill Zimmerman who always seems able to squeeze out of trouble no matter what the offense may be, wills this ability to Jack DeMoss who always manages to squeeze into trouble but never out. The Seniors hope that Jack uses this to his best advantage.

Although Phyllis Miller thinks a lot of her wavy hair she has considered to give this to Don Edwards whose hair is plenty long but very straight.

Jack Stiger who receives much pleasure from cracking his knuckles and also his foot, thought maybe Gladys Colvin would like to sit next year in study hall and do this so he has decided to give this ability to her.

Helen Wise wills her great musical ability and place in the band to Donald Bishop. Helen hopes that Don will take her place in the band next year. First, Don, you will have to learn how to play an instrument.

We, the Senior Class of Forty-Nine, hereby sign this our last will and testament.

The Junior Class has been very busy this year. One of the minor problems was the hair-raising play 'Great Caesar's Ghost'. The theme of the banquet was the '49'ers'. They decorated with aqua and gold. The flower was the white rose.

In spite of these gigantic projects, they gave a good representation in extra-curricular activities. Their participation in music, dramatics, and sports showed they were willing to attempt anything.

The class officers were: President - Don Edwards, Vice-President - Jack DeMoss, Secretary-Treasurer - Marion Kroetz, News Reporter - Margaret Kemp.

New members of the class are Donald Bishop, Alvin Kiesel, Virgil Kisabeth from Columbian in Tiffin and Catherine Bloom came from Ross High in Fremont.

Music Events

The Music students who are returning next year are looking forward to having their classes in the new Music Department. Besides an attractive room with steps for the Chorus and instrumental groups, there is a storage room and three small practice rooms. The music students can now meet in a musical environment with the best of modern equipment We will expect to see a greater interest in music in the Old Fort School in the future.

The Music students of the class of '49 will expect great things from the Music Department in future years.

SOLOS

Everyone was both surprised and pleased at the number of students who tried out for vocal solos this year. Those who were elegible to participate in the County auditions were:

Betty Donaldson
Anne Hiestand
Beverly Hoffman
Donald Wise
John Henry Maddox
Eugene Zimmerman

In addition to these Mary Jane Wilkinson and Jack DeMoss took part in the District Auditions.

However the instrumental soloists were not to be outdone by the vocalists. Those who participated were:

Janita Reidel - violin
Janeen Hoover - violin
Margaret Kemp - trombone
Betty Werner - saxaphone
Anne Hiestand - flute
Jean Bonnell - piano
Helen Wise - piano & baritone

From this list Helen Wise was the only one who was elegible to compete in the State Finals.

BOYS' CHORUS

All of the boys in high school who were interested in music enjoyed themselves for two periods a week singing in the boys' chorus. Although this group did not appear as often as the girls' chorus, they worked diligently and six boys were chosen to sing with the boys' chorus in the County Festival.

GIRLS' CHORUS

The members of the girls' chorus, wearing the new choral robes, made several public appearances throughout the year and took part in one audition. They sang at the Christmas program and at Commencement. In the District Choral Auditions, the girls' chorus received a II, or excellent rating. Six members of this group were selected to sing with the County Chorus in the annual Music Festival.

MIXED CHORUS

Many outstanding opportunities were available for thirteen members of the mixed chorus this year. These people; Betty Donaldson, Mary Jane Wilkinson, Anne Hiestand, Helen Wise, Beverly Hoffman, Mary Anglemeyer, Robert Borough, Tom Darr, John Lavo, Jack Stiger, Don Edwards, Lynn Wonder, Don Wise, and Gene Zimmerman were chosen to sing with the Seneca County Mixed Chorus last summer. They practiced hard so they could offer a pleasing program at the Ohio State Fair and at the Northwestern Ohio Teachers' Meeting in Toledo. Our school was represented by twelve students who sang in the mixed chorus in the County Festival. The mixed chorus also sang at Baccalaureate.

Girls' Physical Education

This year Mrs. Newman has been in charge of the Girls' Physical Education class, which consists of the girls of the upper four grades. This class meets on Monday and Wednesday. We've done a variety of different things, but the game we liked most was volleyball. We enjoyed learning a few steps in square dancing, and also a little exercising frequently.

There has been a rule made by the Ohio High School Athletic Association this year to eliminate the girls' volleyball tournament. To take its place the superintendents of Seneca County have decided to hold a Girls' Volleyball Festival. Each school will be permitted to enter an A team and a B team. The eight members of each of these teams will meet a county rival in a thirty minute game.

Junior Play

November 23, 1948 the Junior Class presented an unusual comedy 'Great Caesar's Ghost'. The following cast was chosen and accurately directed by Miss Minick.

Great Caesar's Ghost who though unseen, was a very real character in the play. He was a good-natured, humorous protecting spirit of the Great Caesar, and seems somehow to have adopted his master's love for jokes. He was the life of the play by making vases and chairs suddenly topple over.

Senior Play

April 29,1949 the senior class presented a three-act comedy 'There'll Come a Day'. The following cast was chosen and directed by Miss Minick.

The Kelton family moved from a quiet country home into a crowded California apartment to try to get Mr. Kelton and daughter Beatrice into the movies. Everyone just walks in and out at the Kelton's like it was a public museum. Everything happens in this house and they can't stand the turmoil anymore so father decides he'll make baby bottles instead of trying to be an actor.

Prince of Peace

Left to right:
First row: Beatrice Heilman, Joyce Heilman, Margaret Kemp, Jean Bonnell, Anne Hiestand.
Second row: Robert Borough, Otto Lynch, and John Lavo

Those who entered the Prince of Peace contest were: Margaret Kemp, Jean Bonnell, Anne Hiestand, Joyce Heilman, Beatrice Heilman, Otto Lynch, John Lavo and Robert Borough.

An elimination contest left Anne Hiestand and Otto Lynch to compete in the county contest. Anne claimed the honor of first in her contest and Otto was chosen as alternate in his.

Anne then went to the district to come out on top once again. She then went to Columbus to compete in the state contest. This time competition proved to be too strong.

We are very proud of all our students who entered the Prince of Peace Declamation Contest. It takes much practice on the part of the student and also Miss Minick who devoted much of her time to their efforts.

Oratory

Those participating in individual public speaking contests were: Joyce Heilman, Anne Hiestand, Otto Lynch, Kenneth Watson, Tom Darr, Margaret Kemp, Beatrice Heilman, Betty Werner, Donovan Edwards, Mildred Heilman and Jean Bonnell.

The county contest was held at Old Fort March 4, 1949. Those who qualified to go to the state contest are: Joyce Heilman for original oration and dramatic declamation, Anne Hiestand for oratorical declamation and Beatrice Heilman and Donovan Edwards for poetry interpretation.
